

Terms of Service

CryptoPunks.eth.limo

Effective Date: July 1, 2025

Welcome to **CryptoPunks.eth.limo** (the “Marketplace”), a decentralized, community-operated platform for exploring, buying, and selling CryptoPunks NFTs.

By accessing or using the Marketplace, you agree to these Terms of Service (“Terms”). If you do not agree with these Terms, do not use the Marketplace.

1. Nature of the Marketplace

CryptoPunks.eth.limo is a permissionless, non-custodial interface that connects users directly with smart contracts on the Ethereum blockchain. It enables peer-to-peer transactions and does not act as a broker, intermediary, custodian, or financial service provider. No centralized entity controls the Marketplace.

2. No Affiliation with CryptoPunks or NODE

CryptoPunks.eth.limo is not affiliated with, endorsed by, or officially connected with The NODE Foundation (“NODE”), Larva Labs, or any entity that owns or manages the CryptoPunks intellectual property.

All images, branding, names, and IP associated with CryptoPunks are the property of their respective rights holders. Users are responsible for complying with any relevant licensing or IP usage terms provided by NODE or other IP owners.

3. NFT Ownership and Use

3.1 Ownership:

When you acquire a CryptoPunk NFT, you own the token on the blockchain, not the associated artwork or intellectual property, unless otherwise licensed to you by the IP holder (e.g., NODE).

3.2 Licensing and Use:

You must comply with any license or usage terms published by the IP owner. CryptoPunks.eth.limo does not grant you any rights to use or commercialize the artwork, names, or likenesses of CryptoPunks.

4. Wallets and Transactions

4.1 Wallet Connection:

Use of the Marketplace requires connecting a third-party Ethereum wallet (e.g., MetaMask, WalletConnect). You are solely responsible for the security of your wallet, private keys, and assets.

4.2 Smart Contract Transactions:

All transactions occur directly between users via public Ethereum smart contracts. These transactions are immutable and irreversible once confirmed by the blockchain.

4.3 Fees:

The Marketplace may include optional interface fees, which will be disclosed prior to transaction execution. Gas fees are determined by the Ethereum network and are not controlled by CryptoPunks.eth.limo.

5. User Conduct

By using CryptoPunks.eth.limo, you agree not to:

- Use the Marketplace for any unlawful purpose or in violation of any applicable law.
- Interfere with, disrupt, or manipulate the integrity of the platform or smart contracts.
- Infringe on the rights, including intellectual property rights, of others.
- Engage in fraud, price manipulation, wash trading, or deceptive market behavior.

You are solely responsible for your actions and any legal compliance required in your jurisdiction.

6. Disclaimers

- The Marketplace is provided on an “as is” and “as available” basis without warranties or guarantees of any kind.
- We do not guarantee the accuracy, availability, or reliability of the Marketplace or related smart contracts.
- We are not liable for any losses resulting from your use of the Marketplace, including loss of NFTs, funds, access, or account control.

Crypto assets are volatile and carry financial risk. Nothing on CryptoPunks.eth.limo constitutes investment advice.

7. Limitation of Liability

To the fullest extent permitted by law, no contributor, maintainer, developer, or affiliated party shall be liable for any indirect, incidental, special, or consequential damages arising out of or in connection with your use of the Marketplace.

8. Indemnification

You agree to indemnify and hold harmless all maintainers, developers, community contributors, and affiliated individuals of CryptoPunks.eth.limo against any claims, damages, losses, or legal expenses arising from your use of the Marketplace or violation of these Terms.

9. Termination of Access

Your access to CryptoPunks.eth.limo may be suspended or restricted automatically if you violate these Terms or abuse the system. As a decentralized interface, access may also depend on your ability to connect to the Ethereum network and other open infrastructure.

10. Changes to These Terms

These Terms may be updated or modified from time to time by community contributors. Changes will be posted on the site or in public repositories. Your continued use of the Marketplace constitutes acceptance of any changes.

11. Global Use

CryptoPunks.eth.limo is a global interface, but certain jurisdictions may impose restrictions on access to decentralized finance tools or digital assets. You are solely responsible for complying with your local laws and regulations.

12. Contact and Community Governance

CryptoPunks.eth.limo has no centralized operator. Governance discussions, feedback, and development contributions may occur via public forums, repositories, or community platforms (e.g., GitHub, Discord).

If you'd like to contribute or ask a question, please engage with the community through those channels.

By using [CryptoPunks.eth.limo](https://cryptopunks.eth.limo), you acknowledge that you have read, understood, and accepted these Terms of Service, and that you are responsible for your own risk, compliance, and conduct.
